Night is as well what has been written in the  
Dictionary. *Night* always is written to make  
people believe that she stole his Inspiration  
from the Dictionary under the head of "Lady."  
For those who take an interest in the matter, I  
have printed the English and Chinese terms,  
the pronunciation,  
LADY, a woman of distinction: 夫人, 姫.  
young lady of rank, 小姐 is a unmarried lady
